## OUR TEAM

At Miami County Public Health (MCPH), our mission is to be a proactive partner within the community that works to prevent illness, promote health, and protect those who live, work, and visit Miami County. Family and Child Development strives to foster an environment of teamwork and growth, and pride ourselves on working together with families and our partners to promote healthy growth and development for babies and young children in our community through education and support. The Family and Child Development Division strives to build a team of individuals with unique perspectives and skills that can add diversity and depth to the division.

## JOB RESPONSIBILITIES:

- Provides family support, information and education, developmental instruction and follows program goals.
- Conducts developmental screenings and offers referrals.
- Facilitates and participates in the development, implementation, review, and monitoring of the family plan.
- Works with the family to ensure they have medical/home health services.
- Informs the family of availability of advocacy services.
- Coordinates and monitors the delivery of services and the transition to other programs and services.
- Provides referrals to other service providers as needed after providing families with service provider options.
- Participates in miscellaneous program activities (e.g. assists in program development, Child Find outreach and intake activities).
- Completes documentation, which includes the client's paper chart, data entry into OCHIDS, reports and time and mileage sheets.
- Undergo a criminal background check with the Ohio bureau of criminal identification and investigation and
- A background check with the Ohio central registry on child abuse and neglect.
- A valid Ohio driver's license with own vehicle and ability to maintain a driving record that meets the insurability requirements of Miami County Public Health's insurance provider.

## GROWTH OPPORTUNITIES:

- Enhance your oral and written skills
- Multi-task and manage numerous family relationships
- Develop the initial skills for leadership
- Networking with community partners

## BENEFITS:

- Medical, dental, and vision coverage
- Health Savings Account option
- Health Reimbursement Account
- Agency provided telemedicine for employee and family members
- Wellness Program
