Miami County Public Health COVID-19 Update

Miami County - Miami County Public Health is issuing an update on the COVID-19 in Miami County.

As of today, Monday, April 27, 2020, Miami County is reporting 136 positive COVID-19 cases and 25 deaths due to COVID-19, in Miami County. The case age range is less than 1 year old to 96 years old, with 81 females & 55 males.

In an effort to transition Ohio into reopening, Governor DeWine announced today that beginning May 1st, 2020, certain industries can begin to reopen. All businesses that are open must operate under 3 guiding principles:

1. Protect the health of employees, customers and their families.
2. Support community efforts to control the spread of the virus
3. Lead in responsibility getting Ohio back to work

The new order states that on May 1st, 2020, all health procedure that do not require an over-night stay in the hospital can move forward. Dental practices & veterinary services may begin to operate as well. On May 4th, 2020, manufacturing, construction & distribution can begin to reopen and on May 12th, 2020, consumer retail & services can begin to reopen. The Stay-at-Home orders will remain in place for gatherings of 10 people or more.
