FOR IMMEDIATE RELEASE
4th ANNUAL VETERANS HEALTH FAIR

(11/2/2018 – Troy, OH) Miami County Veterans' Services and Miami County Public Health will be hosting the 4th Annual Veterans Health Fair on Friday November 9th, 2018 at the Hobart Center for County Government, 510 W. Water St., Troy, OH, from 10 am to 3 pm. The event is free for Veterans and surviving spouses.

The Health fair will feature several health screening services from Miami County Public Health including blood pressure, pulse oximetry, glucose, body mass index screens, hearing and vision screens, and diabetic foot checks. MCPH will also offer Flu, pneumonia and shingles vaccine (please bring insurance information).

Upper Valley Career Center cosmetology students will be offering nail trims and foot baths and Miami County Dental Clinic will be performing dental screens. Also, Health Partners Free Clinic, ACA Navigator will be available to answer questions and Primary Eye Care Associates will offer education and information.

Miami County Veterans' Services will hold benefit briefings from the County Veteran Services Officer. The Miami County Recorder's Office will be available to provide Veteran ID cards. Food and refreshments will be provided during the lunch hour period.

Attendees should bring original or certified copy of DD-214. For Transportation to the Health Fair, please call 937-440-8126 by November 7th to be placed on the schedule. Miami County Veterans' Services and Miami County Public Health look forward to serving area veterans and thanking them for their service.
