For Immediate release

Miami County Public Health COVID-19 Update

Miami County - Miami County Public Health is issuing an update on the COVID-19 in Miami County.

As of today, Tuesday, March 31, 2020, Miami County is reporting 52 positive COVID-19 cases in Miami County. Of these cases, 25 are female and 27 male.

MCPH is receiving a lot of questions about how to stay safe in the workplace and at home if others are sick. The Center for Disease Control and Prevention has various resources available for both individuals and employers. For more information visit:

https://www.cdc.gov/coronavirus/2019-ncov/community/index.html

Governor DeWine and the Ohio Department of Health Director, Dr. Acton, are recommending continuing social distancing until May 1, 2020. This extended timeframe puts additional stress on these uncertain times. While it is important to monitor our whole health, it is important, during this challenging time, to monitor mental wellness. Tri-County Board of Mental Health & Recovery has numerous resources available. For more information visit:

https://www.tcbmds.org/coronavirus.html

 MCPH continues to investigate new positive COVID-19 cases in Miami County and will update the community as information becomes available.
