For Immediate Release

Miami County Public Health COVID-19 Update

Miami County- Miami County is now at a Yellow #1 COVID-19 risk level. This is due to Miami County being below 50 new cases per 100,000 population and only meeting criteria for one of the seven Alert Indicators. The indicator met is:

- More than 50% of new cases are from non-congregate care living

The Yellow #1 COVID-19 Risk level indicates active exposure and spread of COVID-19 and for Ohioans to follow all current health orders. For more information on the Public Health Advisory System visit: <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/public-health-advisory-system/>

Since May 7th, 2021, there have been 76 new COVID-19 cases which brings the total number of cases in Miami County to 10,737, with 575 hospitalizations, 221 deaths, and 10,400 presumed recovered.

Next week, Miami County Public Health (MCPH) will be hosting multiple COVID-19 vaccine clinics located at the Troy Business Park at 880 Arthur Dr. in Troy. The clinics will offer the Moderna and Johnson & Johnson vaccines to anyone 18 and older, and the Pfizer vaccine for those 12 and older.

MCPH is making it easy and convenient to get a COVID-19 vaccine, here are all the details for our upcoming clinics. Get registered today!
