

May 7th, 2021

**For Immediate Release**

**Miami County Public Health COVID-19 Update**

**Miami County-** Miami County remains at an Orange #2 COVID-19 risk level. This is due to Miami County meeting criteria for two of the seven Alert Indicators. The indicators met include:

- 50+ cases /100,000 population within last two weeks
- More than 50% of new cases are from non-congregate care living

The Orange #2 COVID-19 Risk level indicates increased exposure and spread of COVID-19. Community members are advised to exercise a high degree of caution. For more information on the Public Health Advisory System visit: <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/public-health-advisory-system/>

Since April 23rd, 2021, there have been 76 new COVID-19 cases which brings the total number of cases in Miami County to 10,661, with 573 hospitalizations, 217 deaths, and 10,300 presumed recovered.

Miami County Public Health will be hosting two open COVID-19 vaccine clinics located at the Troy Business Park at 880 Arthur Dr. in Troy. The clinics will offer the Moderna vaccine to anyone age 18 or older. Those interested in getting a vaccine can walk in during clinic hours or register for an appointment online.
